University policy concerning the Grade of I (Incomplete): The grade of I is assigned *at the discretion of the instructor* when a student **who is otherwise passing** has not, due to circumstances beyond their control, completed all the work in the course. The missing work must be completed by the deadline specified by the instructor or during the following semester (fall or spring), but no later than 12 months after the term in which the I was assigned, whichever comes first, so long as the student remains enrolled at the University. A student may not complete the missing work if they are not enrolled at the University. If the I is not removed during the specified time, a grade of F, U, NC, or N as appropriate to the course is automatically assigned. **The grade of I cannot be removed by enrolling again in the same course.**
